

Year 9

Art: Areas for Development

Revision Resources

1	Go to the LRC (or your own Library) and find books about Impressionist painter Paul Cezanne (fruit still life paintings) and the 1960's Pop Artists Andy Warhol and Wayne Thiebaud.
2	Make 3 observational colour drawings for EACH ARTIST, these images must be of FOOD.
3	Create a Venn diagram of 3 circles overlapped. In each circle write Paul Cezanne, Andy Warhol, and Wayne Thiebaud. Now in each circle write key words that you think represent the Food Art by each artist you researched. Remember, where all 3 circles overlap make sure these words apply to ALL 3 artists.
4	Go out and look at a variety of FOOD displays in supermarkets, market stalls, cafes and Fast Food places. Use your phone or a camera and take at least 20 different photographs of a wide variety of food for example in a Greengrocers, Sweet shop, Bread and Cakes, Fast Food.
5	Look in your kitchen cupboards and set up 2 different groups of FOOD as a real still life. Produce detailed observational drawings of them. Try and draw food tins, cans, packets, fruit bowl, sweets and snacks.

Kindness, Integrity and Tenacity
